The two-day course, A Culture of Excellence/Brand Differentiating Service, will be held May 22-23, 2025, at The Ritz-Carlton, Toronto, a Forbes Five-Star hotel with dazzling views of the downtown skyline and Lake Ontario and easy access to the cosmopolitan city’s cultural, dining, and sports scenes.

“We believe this is the most immersive learning experience in the marketplace today for organizations seeking to create a culture of excellence,” said Ms. Joiner. “Participants will study the legendary Gold Standards of our brand while simultaneously experiencing the ambiance of a Ritz-Carlton hotel where course methodologies are brought to life in real-time moments. It’s a powerful and instructive

combination.”

A skilled advisor will illustrate the course with firsthand experiences, compelling videos, and

engaging discussions, and offer tangible ideas to activate and sustain a culture where valued and empowered employees own the customer experience.

The course includes two days of content, breakfasts, lunches, morning and afternoon breaks, and a networking reception on the first day. Attendance is limited to preserve an intimate environment for elevated learning. The registration fee is \$4,795 USD per person.
