

Step Into the Future of Cybersecurity with AmiViz at GISEC 2025

DUBAI, DUBAI, UNITED ARAB EMIRATES, April 23, 2025

/EINPresswire.com/ -- [AmiViz](#), the leading cybersecurity-focused value-added distributor headquartered in the Middle East, is set to participate in GISEC Global 2025, the region's premier cybersecurity event, taking place from May 6–8 at the Dubai World Trade Centre. Visitors can find AmiViz at Stand B180 in Hall 5, where the company will spotlight a powerful lineup of cybersecurity solutions tailored to address today's most pressing digital threats.

GISEC 2025 - AmiViz Booth

At this year's event, AmiViz will be joined by six leading technology partners, each bringing unique capabilities to the cybersecurity ecosystem:

Sysdig – Real-Time Security for Cloud and Containers

Threatcop – People Security Management

Bitsight – Cyber Risk Management

ExtraHop – Cloud Native Network Detection and Response

RunZero – Total Attack Surface & Exposure Management

YesWeHack – Global Bug Bounty and Vulnerability Management Platform

These technologies span the full cybersecurity spectrum—from securing cloud-native environments and managing cyber risk to strengthening human defenses and identifying vulnerabilities before they can be exploited.

AmiViz's participation underscores its ongoing commitment to empowering regional enterprises with comprehensive cybersecurity strategies. Visitors to the stand will have the opportunity to explore each of the featured solutions, engage directly with product experts, and attend insightful presentations on how these tools can be integrated into their existing security frameworks.

"GISEC is a cornerstone event for cybersecurity in the region," said Ilyas Mohammed, Chief Operating Officer of Amiviz. "It provides a unique platform for us to showcase our growing portfolio of innovative technologies and to connect with decision-makers looking to enhance their cyber resilience. This year, our focus is on helping organizations build proactive, integrated defenses that are future-ready."

AmiViz invites cybersecurity professionals, IT leaders, and business executives to visit Stand B180 and explore how its partner technologies can protect their digital assets, reduce exposure, and enhance their overall security posture.

Don't miss this opportunity to meet the AmiViz team and its esteemed technology partners, and discover the future of cybersecurity—live at GISEC 2025.
