Shweta Harve, American artist

Shweta's artistic journey began amid the rich musical traditions of India, blending classical ragas and folk sounds with rock and blues influences she embraced after relocating to Texas. Her latest release features a much more layered and dynamic production compared to her earlier acoustic work, reflecting her constant growth as an artist. This evolution has helped her top the World Indie and Euro Indie charts, with worldwide radio airplay further amplifying her music. Throughout her journey, Shweta has remained committed to her mission: to awaken, question,

and heal through her music. Collaborating with young talents worldwide, her work aims to deepen the impact of her messages on a global scale. Shweta's new song and music video; "What The Troll?" do exactly that. "What The Troll?" is a bold and energetic collaboration that blends Shweta's signature style with Dario Cei's unique flair, creating a genre-defying anthem that tackles the chaotic world of online trolling with humor and grit. "I wanted to create something that reflects the absurdity of online culture while empowering listeners to rise above the noise," says Shweta Harve. "Working with Dario was a dream—he brought such an incredible energy to the track, and I can't wait for fans to experience it."

The "What the Troll?" music video, produced by AME Studios transforms the song's energetic beat into a visual narrative that confronts the harsh realities of online trolling and bullying.
