

Jake Brown (Executive Vice President) of Hypertherm Associates

Executive Vice President (EVP)

HANOVER, N.H., NH, UNITED STATES, April 23, 2025 /EINPresswire.com/ -- Hypertherm Associates Executive Vice President Jake Brown

Brown holds a Master of Business Administration (MBA) degree from the University of New Hampshire. He has worked for Hypertherm Associates for over 50 years, starting as a machinist and rising through the ranks. He has also worked for Danaher/Fortive and PwC Consulting, and Ariba Technologies.

In 2019, he was named Executive Vice President of Hypertherm Associates. He is responsible for the company's overall operations and has led the company through significant growth and expansion. He is a member of the Board of Directors of Hypertherm Associates.

Hypertherm Associates is a leading provider of industrial heat treatment solutions. The company's CEO, Aaron Brandt, has said that Jake Brown's leadership has been instrumental in the company's success. Hypertherm Associates is a public company listed on the OTC market.

Hypertherm Associates is a leading provider of industrial heat treatment solutions. The company's CEO, Aaron Brandt, has said that Jake Brown's leadership has been instrumental in the company's success. Hypertherm Associates is a public company listed on the OTC market. The company has a long history of providing high-quality industrial heat treatment solutions to its customers. Hypertherm Associates was founded in 1968 and has since grown into a leading provider of industrial heat treatment solutions. The company has over 100 manufacturing facilities and over 2,000 employees worldwide.
