*Local Roofing Company Steps Up with Free Inspections, Insurance Help, and Emergency Repairs for Families in Need*

SALT LAKE CITY, UT, UNITED STATES, April 23, 2025 /EINPresswire.com/ -- In response to one of Utah's most intense spring storm seasons in over a decade, [ASAP Roofing & Exteriors](#), a leading roofing company serving the Wasatch Front, has announced the launch of its new "[Roof Rescue Program](#)" — a community initiative providing emergency roof repairs, free inspections, and insurance claim support for families impacted by storm-related damage.

The program, now live, is focused on delivering fast, professional relief to homeowners dealing with wind, hail, and water damage. The effort includes special assistance for elderly homeowners and veterans, who may qualify for free or discounted roof repairs through the initiative.

"We've seen firsthand how overwhelmed homeowners can get after a storm hits," said Diana Jensen, owner of ASAP Roofing & Exteriors.

"This program is about more than fixing roofs. It's about supporting families, making sure they're treated fairly, and helping our most vulnerable neighbors get the protection they need."
