

# A Single Life: One Woman's Journey Through Eight Decades

*Author Judy Bishop reflects on life's choices and the lessons that come with time.*

LOS ANGELES, CA, UNITED STATES, April 23, 2025 /EINPresswire.com/ -- Imagine looking back on a life shaped by choices, unexpected turns, and defining moments—each experience leaving its mark on the journey. ["A Single Life"](#) by Judy Bishop began as a simple memoir for her grandchildren but evolved into something much more—a thoughtful reflection on the decisions she made and the joy they brought.

A Single Life

Bishop grew up in a small farmhouse surrounded by cornfields, where she learned to appreciate the beauty of a simple life. She vividly recounts moments of learning, laughter, and love, from walking to a one-room schoolhouse as a child to the many adventures that followed.

"A Single Life" offers a personal yet universal perspective on how even the smallest choices can have a lasting impact. Through her stories, Bishop shares the lessons she has learned, offering insight and encouragement to those navigating their own paths. Her deep love for family is woven throughout the pages, culminating in a heartfelt message: "Life is an adventure. Thank you for being a part of mine."

"A Single Life" will be showcased at the highly anticipated LA Times Festival of Books on April 26–27, 2025, at the Olympus Story House booth in the Gold Zone, South Trowsdale, Booth #182. It is also available through digital bookstores such as Amazon, Barnes & Noble, and more.
