

Defying Market Trends: Call It Closed International Realty Achieves Record Growth in Q1 2025

NAPLES, FL, UNITED STATES, April 23, 2025 /EINPresswire.com/ -- [Call It Closed International Realty](#) today announced a remarkable first-quarter performance for 2025, showcasing significant expansion that stands in stark contrast to broader real estate market trends. The company reported a substantial 13% increase in overall sales volume during Q1 2025 compared to the same period in 2024. This momentum culminated in an extraordinary 55% surge in sales volume in March 2025 compared to March of the previous year—an exceptional performance that positions Call It Closed International Realty as a leading and expanding brokerage in an uncertain economic landscape.

With 13% growth in Q1 and a 55% sales surge in March, Call It Closed International Realty continues to outperform a challenging market.

The first quarter of 2025 presented a complex environment for the real estate industry. With tight monetary policies, tariff concerns, and affordability challenges, the U.S. housing market faced considerable headwinds. Mortgage rates remained elevated, and overall home sales volume saw a decline, even as inventory showed some signs of improvement, but remained below pre-pandemic levels. Home prices continued to rise, albeit at a slower pace. This challenging market makes Call It Closed International Realty's double-digit gains in sales volume over the first quarter, and the particularly strong performance in March, a significant achievement.

“

Against this backdrop, Call It Closed International Realty's significant performance highlights the company's resilience and adaptability in navigating challenging market conditions. The 13% increase in Q1 sales and the dramatic 55% jump in March demonstrate a clear outperformance compared to market averages, suggesting potential gains in market share and success in key segments. This remarkable growth underscores the effectiveness of the company's strategies and the dedication of its team in a market where many brokerages are struggling.

"We are absolutely thrilled by the significant results that Call It Closed International Realty has achieved in this dynamic market," said Chad Osborne, CEO & Co-Founder. "It's incredibly rewarding to see so many talented agents choosing to join our ranks and finding the world-class support system they need to not only succeed but truly make a difference for their clients.
