

A Compelling Examination of the Prosperity Gospel for Truth-Seeking Christians

Woody Stieffel examines Biblical truths on wealth, healing, and the Christian life.

LOS ANGELES, CA, UNITED STATES, April 23, 2025 /EINPresswire.com/ -- Is prosperity a sign of God's favor? Does faith guarantee wealth and health? In Woody Stieffel's ["Health and Wealth: God's Will or Not?"](#), Stieffel takes a dive into Scripture to address these pressing questions.

With 47 years of active church involvement, including 11 years as a pastor, Stieffel has witnessed a growing lack of biblical knowledge among believers. This book challenges popular teachings about wealth and health, looking to the Bible as the ultimate authority. Through careful analysis, Stieffel explores whether miraculous healings are for today, what Jesus and the Bible truly teach about riches, and how Christians should approach sickness and suffering.

A civil engineer by profession and a lifelong student of the Bible, Stieffel blends theological study with practical wisdom. He draws from his experience in multiple churches and his postgraduate education at Moody Bible Institute and Hyles Anderson College to present complex biblical truths in an accessible way.

Readers searching for biblically sound answers to the questions surrounding prosperity, faith, and God's will should find "Health and Wealth: God's Will or Not?" an enlightening and insightful read.

This insightful book will be featured at the highly anticipated LA Times Festival of Books on April 26-27, 2025, at the Olympus Story House Booth #182 in the Gold Zone, South Trousdale. Copies are also available on Amazon, Barnes & Noble, and other leading digital bookstores.
