After spending years in the hospitality industry running restaurants, Agatha faced one of the most difficult periods of her life. Following a series of challenging personal circumstances, she found herself without a stable home, relying on government welfare, and couch surfing with her infant daughter.

“

This is the most encouraging, non-judgmental, and positively impactful community I've ever known!”

Determined to create a better future, Agatha discovered Prosperity Of Life and began her journey into a new industry without prior formal education or [business training](#). Drawn to the company's personal development

products and supportive business model, she saw it as a turning point.

“I needed a real solution,” Agatha said. “I felt like I had one last chance to change everything—not just financially, but emotionally. Prosperity Of Life gave me that chance.”

Today, Agatha has rebuilt her life and business from the ground up. In a recent 48-hour period, she earned \$26,000 USD—one of several financial milestones she’s achieved as a result of her work through the platform. Beyond income, Agatha notes that her personal growth has been just as significant.

“I now live with confidence, direction, and a deep sense of purpose,” she said. “This experience has helped me rediscover who I am—not just as a mother or business owner, but as a person who has something valuable to contribute.”

Rachel Krider, co-founder of Prosperity Of Life, said Agatha’s story is one of many that showcase the platform’s impact. “Agatha is a remarkable example of resilience. We’re proud to support people like her who are ready to take charge of their futures.”

Prosperity Of Life provides personal development courses and entrepreneurial training to individuals worldwide, empowering them to create flexible, home-based businesses while improving mindset and leadership skills.

Agatha now travels internationally, enjoys financial stability, and continues to grow her business. She says her greatest success is not just what she’s earned, but the confidence she’s gained.
