

Central Texas Dermatology Announces Virtual Skin Wellness Event Featuring the Candela VBeam Perfecta

AUSTIN, TX, UNITED STATES, April 23, 2025 /EINPresswire.com/ -- [Central Texas Dermatology](#) invites the community to take part in its two-week Virtual Skin Wellness [Event](#), running from May 1–16, 2025. This special event celebrates the introduction of the Candela VBeam Perfecta, an advanced laser technology that gently and effectively treats redness, rosacea, facial veins, and other vascular skin concerns.

Known for its precision and safety, the VBeam Perfecta delivers targeted, non-invasive treatment that helps patients achieve clearer, more even-toned skin with minimal downtime. Whether you're dealing with persistent redness or seeking a solution for rosacea, this laser therapy restores your skin's natural radiance and calm.

Treatments will be exclusively performed by Central Texas Dermatology's renowned providers—Dr. Emma Weiss, Dr. Olivia Chen, Dr. Alison Messer, and Lia Stratton, FNP-C—ensuring expert care every step of the way.
