

Hettich's Akademie Program Returns for its Second Batch: Empowering Future Leaders

From the group of these talented candidates, 21 exceptional individuals were shortlisted to join the batch of Akademie 2025.

MUMBAI, MAHARASHTRA, INDIA, April 24, 2025 /EINPresswire.com/ -- Hettich India is thrilled to announce the return of the 'Akademie' program after its successful debut in 2024. In collaboration with Symbiosis Skills & Professional University, this exclusive PGDBA (Post-Graduate Diploma in Business Administration) program is designed to nurture and enhance the potential of young professionals. Akademie's second batch is set to take the leap into the world of leadership, learning, and career advancement.

Hettich's Akademie Program

“

This exclusive PGDBA program is a reflection of our core values that revolve around fostering growth, creating opportunities, and igniting the ambition that drives our employees to excel.”

Mr. Amit Prasad, CHRO – Hettich India, SAARC, Middle East & Africa

This year, over 250+ employees from across India, SAARC, and the Middle East participated in the program's selection process, showcasing their enthusiasm and commitment to learning and growth. From the group of these talented candidates, 21 exceptional individuals were shortlisted to join the batch of Akademie 2025. Akademie isn't just a class; it's a symbol of aspiration, opportunities, and one's belief.

“At Hettich, we believe in investing in our people and providing them with the resources and opportunities to tap into their full potential. Akademie is more than just a development program; it's our commitment to our employees that we are dedicated to their long-term

success,” said Mr. Amit Prasad, Chief Human Resource Officer (CHRO) – Hettich India, SAARC, Middle East & Africa. “This exclusive PGDBA program is a reflection of our core values that

revolve around fostering growth, creating opportunities, and igniting the ambition that drives our employees to excel.”

Hettich’s vision of nurturing talent and cultivating a culture that inspires excellence is reflected through the initiative of the Akademie. As the company continues to grow, it is deeply committed to creating platforms for its employees to evolve into excellent leaders who will shape the future of the industry.

Batch 2 of Akademie is not just a class, it is a promise of growth, mentorship, and endless opportunities. Hettich is proud to invest in its people and believes that through initiatives like Akademie, it is creating not only better teams but a brighter future for everyone.

About Hettich

Hettich India is a 137-year-old, family-owned German brand and one of the world’s largest [manufacturers of furniture fittings](#) and hardware storage solutions, with a global turnover exceeding 1.5 billion euros.

Hettich started its operations in India around the year 2000 and quickly became a leader in the furniture fittings and hardware market. Its wide range of products includes high-quality fittings, [door hardware](#), wire products, aluminium profiles, shelving systems, [built-in appliances](#), quartz stones, and furniture lighting, serving both homes and businesses.

Hettich India has modern manufacturing plants in Vadodara (Gujarat) and Indore (Madhya Pradesh), supporting the "Made in India, Made for the World" mission. Its strong distribution network ensures products are available across the country.

The company also introduced Application Centres in India, where customers can see and try products firsthand. These centres offer free design advice and technical support to help customers make the right choices.
