

Honeygain Partners with Tipalti to Enhance Global Payout Experience

Honeygain partners with Tipalti to streamline global payouts, making it easier for users to earn by sharing their internet connection.

LONDON, UNITED KINGDOM, April 28, 2025 /EINPresswire.com/ -- [Honeygain](https://www.honeygain.com), the first-ever app that allows its users to make money online by sharing their internet connection, is collaborating with Tipalti, a global leader in payment automation, to streamline and enhance its payout process for users worldwide.

This collaboration enables Honeygain users to receive their earnings more efficiently and securely through Tipalti's robust payment infrastructure. By integrating Tipalti's platform, Honeygain can offer a payout option, which ensures users across different regions have access to reliable and timely payments.

“

Partnering with Tipalti allows us to uphold this commitment by offering a more efficient and secure payout process, catering to our diverse user base around the globe.”

*Sandra Krikstaponyte,
Product Owner at Honeygain*

"Our mission at Honeygain has always been to provide our users with a seamless and rewarding experience," said Sandra Krikstaponyte, Product Owner at Honeygain. "Partnering with Tipalti allows us to uphold this commitment by offering a more efficient and secure payout process, catering to our diverse user base around the globe."

Tipalti's platform is renowned for its ability to handle complex payment workflows, ensuring compliance with international regulations and providing real-time payment tracking. In addition, Tipalti's infrastructure offers

enterprise-grade security, fraud prevention, and global tax compliance features that protect both users and the Honeygain platform.

For users, this means fewer failed transactions, faster processing times, and the peace of mind that their data and earnings are secure. This integration not only simplifies the payout process for Honeygain users but also enhances the overall user experience by reducing payment delays and errors.

Users can initiate their payouts by reaching the minimum threshold on the Honeygain platform. Once eligible, they will receive an invitation to register on Tipalti's Supplier Hub, where they can select their preferred payment method and complete the necessary verification steps.

About Honeygain

Honeygain is the first-ever app that allows its users to make money online by sharing their Internet connection. The app prioritizes user privacy and security, ensuring a safe and effortless way to generate additional income. Through its innovative referral program, Honeygain offers both individuals and businesses a valuable tool to maximize their earning potential without requiring any additional effort or financial investment.
