

# Trademo Offers Free Tariffs Comparison and Landed Cost Calculator Tool - Access Now

*Trademo unveils a free tool that allows trade professionals to verify tariffs and accurately calculate landed costs. Try it free until April 30, 2025.*

PALO ALTO, CA, UNITED STATES, April 24, 2025 /EINPresswire.com/ -- Trademo, a global leader in

As global trade evolves, professionals need more agility and insight than ever before. Our new tool delivers real-time data to simulate tariffs, calculate landed costs, and stay competitive."

*Shalabh Singhal, Founder & CEO of Trademo.*

supply chain intelligence and compliance solutions, is excited to launch of its cutting-edge [Tariff Comparison Tool and Landed Cost Calculator](#), designed to help businesses stay competitive and safeguard margins amidst rising tariffs and complex trade conditions.

With tariff fluctuations and geopolitical uncertainties affecting trade flows, it has become increasingly difficult for businesses to maintain accurate cost forecasts. Trademo's new tool addresses this challenge by offering real-time visibility into tariffs and landed costs, empowering businesses to better plan and protect their margins.

## Key Features Include:

**Simulate Real-Time Cost Impact:** Calculate how real-time tariff changes will affect your business and adjust pricing strategies accordingly.

**Compare Historical vs. Current Tariff Rates Instantly:** Access a comprehensive view of tariff rate fluctuations, empowering businesses to anticipate future changes and prepare accordingly.

**Landed Cost Comparison Across Different Trading Partners:** Evaluate and compare the landed costs from multiple suppliers or countries, ensuring the best sourcing decisions.

**Refined Pricing with Accurate Cost Visibility:** Gain transparent and up-to-date cost visibility, allowing businesses to fine-tune their pricing strategies and safeguard their margins.

## Why This Tool Is Crucial for Global Trade Professionals:

In today's volatile trade environment, it's essential for businesses to have access to reliable, up-

to-the-minute information about tariffs and landed costs. Trademo's new tool provides the clarity trade professionals need to navigate shifting markets and rising costs. By offering accurate tariff data and landed cost calculations, businesses can make more informed decisions, stay ahead of the competition, and protect their profitability.

#### About Trademo

Trademo was founded in 2020 by serial entrepreneur Shalabh Singhal at a time when the world was grappling with COVID-19 and unprecedented disruptions to global supply chains.

Recognizing that supply chain resilience is one of the most pressing challenges of our time, Shalabh set out to build a transformative solution.

Leveraging AI and data from thousands of sources, Trademo has created a single source of truth for global supply chains. Through its proprietary global supply chain knowledge graph, TrademoKG, the company consolidates insights from shipping data, satellite intelligence, global sanctions, tariffs, export controls, beneficial ownership, and more. Today, TrademoKG empowers organizations with unparalleled visibility, compliance, resilience, sustainability, and border security.
