These rankings are based on independent user reviews, evaluating factors such as Customer Support, Value for Money, Functionality, and Ease of Use. BrandMail consistently ranks at the top across all categories, reinforcing its reputation as a trusted solution for businesses worldwide.

BrandMail is available for Outlook, Google Workspace, and Microsoft 365 (O365). It offers centrally managed, tamperproof email signatures designed to maintain brand consistency in every email interaction.

"We are thrilled by this ongoing recognition from Gartner," says Paula Sartini, Founder and CEO of BrandQuantum. "Our team works closely with customers to develop intuitive solutions that directly address real-world business challenges, particularly around maintaining a consistent brand experience."

She adds, "Customer feedback is central to our innovation process. Without our customers' insights and ongoing support, BrandMail wouldn't have achieved this standing. Their input helps us design solutions that eliminate companies' frustrations in managing brand identity, and
