Dr. Clark Schierle of Northwestern Specialists in Plastic Surgery has been reviewed and approved based on merit by IL Top Docs for 2025.

----

Clark Schierle, MD, PhD, FACS has been reviewed and approved by IL Top Docs based on merit for 2025. Dr. Schierle is a board-certified plastic surgeon at

Northwestern Specialists in Plastic Surgery in Chicago, IL, known for his exceptional expertise and compassionate approach to patient care. With a unique cultural background as the son of a Chinese mother and a German father, Dr. Schierle brings a diverse perspective to his practice, allowing him to connect with patients from all walks of life and provide personalized care that respects and values their individuality.

At the heart of Dr. Schierle's philosophy is a commitment to a tailored approach to plastic surgery, where clear communication and individualized attention are central. Fluent in seven languages—English, Chinese, Spanish, German, Italian, French, and Brazilian Portuguese—he ensures that his patients feel heard, understood, and at ease, regardless of their cultural or linguistic background. Dr. Schierle takes pride in creating natural, harmonious results that align with his patients' goals, enhancing both their appearance and confidence while respecting their personal vision. His approach combines the artistry and precision of plastic surgery, empowering patients to embrace the most confident version of themselves.

Dr. Clark Schierle

“

I have dedicated my life to perfecting my craft: the blending of art and science to help my patients achieve the best possible results and find happiness with their form.”

*Dr. Clark Schierle*

Dr. Schierle's academic journey is nothing short of impressive. He graduated summa cum laude from UCLA, beginning his undergraduate studies at the age of 12, and went on to earn both a Ph.D. in microbiology and molecular genetics and a medical degree from Harvard University. His extensive training continued with a seven-year integrated plastic surgery residency at Northwestern University in Chicago, where he trained with some of the most renowned surgeons at Northwestern Memorial Hospital, Shriners Hospital, and the Chicago Center for the Surgery of the Hand. This comprehensive training has

equipped Dr. Schierle with advanced skills in both aesthetic and reconstructive surgery, making him a highly sought-after expert in his field.

"I have dedicated my life to perfecting my craft: the blending of art and science to help my patients achieve the best possible results and find happiness with their form," says Dr. Schierle.

Dr. Schierle's expertise spans a wide range of surgical specialties, including three-dimensional imaging for plastic surgery, endoscopic breast augmentation, and face transplantation. His groundbreaking work has garnered national recognition, including prestigious awards from the Wound Healing Society and the American Society for Aesthetic Plastic Surgery.

As an active member of numerous professional organizations, including the American Medical Association, the Wound Healing Society, the American Society of Plastic Surgeons, and the Illinois Society of Plastic Surgeons, Dr. Schierle stays at the forefront of advancements in his field. He also served as the president of the Chicago Reconstructive and Aesthetic Plastic Surgery Society in 2015, further solidifying his leadership role in the plastic surgery community. Through his dedication to both his craft and his patients, Dr. Schierle continues to set the standard for excellence in plastic surgery.
