Scarborough. From Today to Eternity Volume 1

Scarborough's latest book, *From Today to Eternity: A Study of Biblical Prophecy and End Times – Volume 1*, has captivated readers with its in-depth exploration of one of the most misunderstood yet profoundly important themes of the Bible. Addressing the fears and uncertainties many Christians face concerning the end times, Scarborough brings clarity to a subject often shrouded in mystery. With nearly one-fourth of the Bible devoted to prophecy, this comprehensive work offers vital insights into questions such as: What is prophecy? What does Christ say about the future in the Olivet Discourse? Who are God's chosen people? Where do we stand in God's timeline for humankind? Through these questions and more, Scarborough helps readers build a solid foundation of biblical understanding and spiritual confidence.

The book approaches prophecy through a literal interpretation, maintaining a futuristic, dispensational, pretribulational, and premillennial perspective. It strongly affirms the biblical

view that the Church does not replace Israel, instead upholding God's enduring covenants with His chosen people. Scarborough's work not only educates but also encourages, offering hope and assurance that the future is divinely ordered and will unfold according to God's perfect plan.

For those unable to attend the festival, *From Today to Eternity: A Study of Biblical Prophecy and End Times – Volume 1* is available on [Amazon](#), Barnes & Noble, and other major online retailers.
