“We are excited to bring the Versace Home legacy to Dubai,” said Dmytro Korotchuk, founder of Solomia Home. “This showroom offers a rare chance to experience luxury living through designs that capture Versace’s signature elegance and boldness.”

Each collection reflects the Italian fashion house’s iconic style—bold yet refined, with meticulous attention to detail. Legendary motifs like Medusa and Greca are woven into the pieces, merging haute couture with functional design. The boutique is a testament to Italian craftsmanship, featuring marble floors, rare wood finishes, and noble textures that create an atmosphere of exclusivity.

Julien Bertic, President of Versace Home EMEA, added, “This showroom celebrates Versace’s fashion heritage and Solomia Home’s dedication to exceptional design. It’s a space that inspires and reflects our shared commitment to excellence.”

Nancy Ajram, a house friend, shared her enthusiasm: “Versace represents luxury and style in every sense. Seeing this vision come to life in such stunning interiors is remarkable.”

More than a retail space, the Versace Home showroom by Solomia Home invites visitors into a lifestyle where high fashion meets home design. It stands as a destination for those looking to infuse their living spaces with the charisma and heritage of the Versace brand.
