

Integrus Fences and Decks Ranked Among Top Custom Fence and Deck Companies

Integrus Fences and Decks named a top custom fence and deck builder for standout craftsmanship, reliability, and client satisfaction.

LANCASTER, PA, UNITED STATES, April 25, 2025 /EINPresswire.com/ --

[Integrus Fences and Decks](#) has been named one of the top [custom fences](#) and [custom decks](#) companies in a recently published industry report that evaluated providers across the tri-state area based on project consistency, client satisfaction, and overall business reliability in the custom outdoor construction industry.

Located in Gap, PA, and serving communities throughout the Philadelphia and Lancaster markets, Integrus Fences and Decks specializes in designing and building custom fence and deck solutions using materials such as pressure-treated wood, cedar, vinyl, aluminum, and composite boards. The company manages all phases of construction from initial consultation through final walkthrough, maintaining a schedule-driven process that prioritizes clear communication and consistent workmanship.

The recognition follows a comprehensive review process conducted by a third-party group that analyzed numerous companies offering residential and commercial fencing and decking services. The selection process placed a strong focus on craftsmanship quality, responsiveness during project development, and the ability to deliver durable and attractive results that align with client specifications. Integrus Fences and Decks met and exceeded key performance benchmarks in multiple areas of evaluation, leading them to be well-recognized. Specific notables of Integrus's review included structural integrity, attention to design details, cleanliness of job sites, and responsiveness to client inquiries before, during, and after construction.

Demand for custom fence and deck construction has continued to rise as residential and commercial property owners seek outdoor additions that support privacy, security, and outdoor

gathering space.

Integrous being highlighted specifically reflects ongoing developments within the residential construction market where homeowners increasingly seek builders who deliver results without compromising on structure, function, or visual appeal. Recognition at this level places Integrous Fences and Decks in a select group of companies delivering consistent results through well-coordinated project management and time-tested construction practices.
