

# NoTrax Announces Price Increase on Select Product Lines

*NoTrax, a leading provider of floor matting for commercial and industrial environments, will introduce a price increase of up to 11% on select product lines.*

DEERFIELD, IL, UNITED STATES, April 25, 2025 /EINPresswire.com/ -- [NoTrax](#), a leading provider of innovative [floor matting](#) for commercial and industrial environments, will introduce a price increase of up to 11% on select product lines, effective June 2, 2025. This adjustment is necessary to address rising costs for finished goods and raw materials resulting from recent tariff changes.

NoTrax has taken proactive steps to limit the scope of this adjustment, targeting only the most affected product lines and working to minimize the impact on customers. Given the fluidity of the environment, prices have been set with the expectation that conditions may improve, but future adjustments may be made if circumstances require.

Customers and partners will receive detailed information about affected products on Friday, April 25. For questions, customers can contact their NoTrax account manager.
