

# AON Neurodiagnostics, Inc. Achieves 98.9% Growth in 2024 and Record-Breaking Q1 2025 Results

*Expansion of Advanced EEG Services Drives Clinical Integration and Sustained Growth in Neurological Patient Care*

DALLAS, TX, UNITED STATES, April 28, 2025

/EINPresswire.com/ -- AON Neurodiagnostics, Inc., a leader in at-home ambulatory video EEG services, is proud to report a record-breaking first quarter for 2025. Completed studies surged by 81% over Q1

2024, with March alone marking a standout 42% year-over-year increase. This follows a robust 98.9% annual growth in 2024 compared to 2023.

This momentum reflects AON's strategic focus on provider partnerships and its unwavering commitment to an elevated patient experience.

“

Their team delivers high-quality care and timely results we can trust. AON is now our exclusive partner for video EEG services.”

*Ahmed Kafaji, MD*

“Astir Oath is our go-to for EEG—efficient, professional, and consistently reliable,” said Dr. Ausim Chaghtai, a leading neurology provider.

Dr. Ahmed Kafaji added, “Their team delivers high-quality care and timely results we can trust. AON is now our exclusive partner for video EEG services.”

AON's tailored, patient-centric approach to home-based neurodiagnostic testing has established its reputation as a leading provider in this critical and growing field. AON remains committed to operational excellence, new provider partnerships, and a steadfast commitment to patient-first care.

About AON Neurodiagnostics, Inc.

AON Neurodiagnostics, Inc. provides advanced at-home ambulatory and continuous video EEG testing services across the U.S. With a mission to deliver white-glove service to both patients and

providers, AON is redefining neurodiagnostics through convenience, precision, and a deep commitment to quality care.
