

Experience Grand Rapids Earns 2025 Governor's Award for Innovative Tourism Collaboration

Recognition comes ahead of Cider Week GR, returning May 9–17

GRAND RAPIDS, MI, UNITED STATES, April 28, 2025 /EINPresswire.com/ -- [Experience Grand Rapids](#) has been recognized with the 2025 Governor's Award for Innovative Tourism Collaboration for [Cider Week GR](#)—a statewide celebration of Michigan's cider culture, created in partnership with the [Michigan Cider Association](#). Presented by the Tourism Industry Coalition of Michigan (TICOM) at the Pure Michigan Governor's Conference on Tourism, the award honors this dynamic collaboration and the community and industry partners who helped bring the event to life.

"Cider Week GR is a true testament to what can be achieved when

organizations work together toward a common goal," said Paula Englin, Executive Director of the Michigan Cider Association. "This partnership allowed us to expand the event's reach, amplify Michigan's cider scene, promote agritourism, and create an economic impact across Kent County that neither organization could have accomplished alone."

Jaylyn McCloy, marketing partnership manager at Experience Grand Rapids, accepted the award on behalf of the collaboration. She added, "Cider Week GR started as a great idea and has grown into something that truly celebrates the heart of our region. Kent County's Fruit Ridge is one of the most productive apple-growing areas in the nation, so it's the perfect place to spotlight cider. We can't wait to welcome everyone back at this year's event in May!"

Cider Week GR runs May 9-17 at cideries and locations around Grand Rapids, Michigan.
