

USA Vein Clinics Invites Public to Free 'Glow and Flow' Lunch Events for Vein Health Education

USA Vein Clinics offers free local sessions with experts to answer vein care questions. Insights and a gift for booking a check-up are also offered.

NORTHBROOK, IL, UNITED STATES, April 28, 2025 /EINPresswire.com/ -- [USA Vein Clinics](https://www.usaveinclinics.com), a national leader in [minimally invasive vein treatments](https://www.usaveinclinics.com), announces its spring "Glow and Flow" initiative, featuring free informational lunch events across the country. Held at local USA Vein Clinics offices, these events offer an opportunity for people to learn about vein health from skilled vein specialists while enjoying a complimentary lunch in a relaxed setting.

The graphic features a blue background with a white text box on the left and a photograph of four people (two men and two women) sitting around a table, smiling and eating. The text in the white box reads: "Glow and Flow", "Free Lunch + Vein Awareness Event", "Let's enjoy some food and get educated together - We can't wait to meet you!", and the USA Vein Clinics logo. Healthy legs start with knowledge. The public is invited to get answers from vein experts at a free "Glow & Flow" lunch. Easy to RSVP.

Vein disease affects over 25 million adults in the United States, often leading to painful symptoms like leg pain and swelling. Left untreated, it can result in serious health complications. The "Glow and Flow" events are designed for anyone experiencing these symptoms, concerned about the appearance of their veins, or simply wishing to learn more about maintaining healthy circulation.

“

Our 'Glow and Flow' complimentary lunch events provide a comfortable environment to get valuable information directly from vein experts.”

Yan Katsnelson, M.D., Founder and CEO of USA Vein Clinics

“Many people have questions about their vein health but may not know where to start,” said Yan Katsnelson, M.D., Founder and CEO of USA Vein Clinics. “Our 'Glow and Flow' complimentary lunch events provide a comfortable

environment to get valuable information directly from vein experts. We aim to empower people to understand their vein health and take proactive steps towards improved circulation.”

As an added benefit, attendees who schedule a follow-up consultation or vein screening during the event will receive a complimentary pair of high-quality compression socks, which are known to support healthy circulation.
