Since partnering with St. Jude in 2008, Window World has remained dedicated to supporting the St. Jude mission: Finding cures. Saving children.® As part of that commitment, Window World pledged \$10 million over seven years to fund the Window World Dining Room at The Domino's Village, the newest short-and long-term patient family housing facility at St. Jude. Recent contributions have already placed Window World ahead of schedule in reaching that goal. This extraordinary partnership has

provided critical funding and helped raise awareness of the hospital's vital work developing world class research and treatment for kids with cancer and other life-threatening diseases.

"The funds raised through Window World Cares represent more than just a number; they represent hope and healing for countless children and families. Window World Cares is dedicated to supporting St. Jude through a variety of fundraising events

and initiatives, including charity golf tournaments, awareness campaigns, and community outreach programs. Customers are given the opportunity to support these efforts by contributing to Window World Cares.
