OTTAWA, ONTARIO, CANADA, April 29, 2025 /EINPresswire.com/ -- Stylia Tours, a premier luxury tour operator in Morocco, proudly announces the opening of new offices in Casablanca and Tangier, marking a significant expansion beyond its original base in Agadir. This strategic move enhances the company's ability to offer tailor-made shore excursions and private tours directly from Morocco's busiest cruise ports, providing travelers with unparalleled access, convenience, and personalized service.

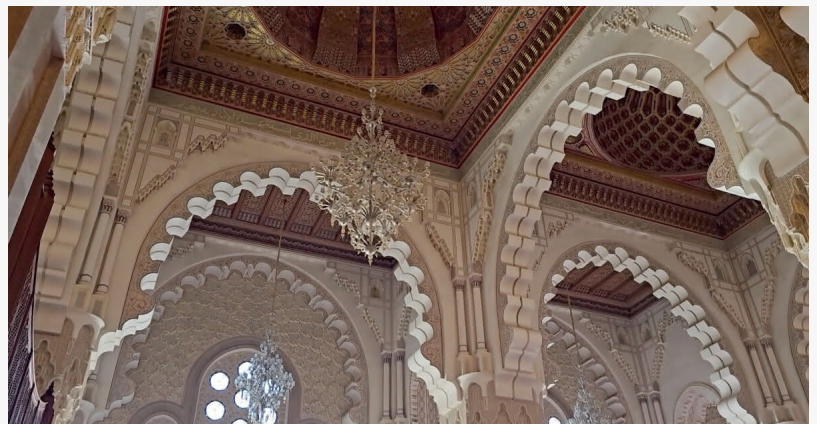

## Boosting Morocco's Luxury Shore Excursion Market

With the new offices located in Casablanca and Tangier, Stylia Tours now offers expertly guided shore excursions—commonly known in the cruise industry as “shorex”—right from these key gateway cities. This expansion complements the company's existing offerings from Agadir, enabling seamless travel experiences for cruise passengers docking at Morocco's largest ports. Guests can explore iconic destinations such as the Hassan II Mosque in Casablanca, the blue-washed streets of Chefchaouen near Tangier, and the stunning coastal landscapes of Legzira Beach with ease and comfort.
