Texas Attorney Demystifies Complex Legal Issues for Everyday People

HOUSTON, TX, UNITED STATES, April 29, 2025 /EINPresswire.com/ -- The Law Offices of Colby Lewis announces the launch of "Hold My Briefcase," a new podcast dedicated to demystifying complex legal matters for Texas residents. With 20 years of experience in both corporate defense and plaintiff representation, Lewis brings his expertise to help individuals navigate property damage, [construction defects](#), traumatic brain injuries, and other personal injury challenges.

Hold My Briefcase Podcast Launch

"After seeing how intimidating and confusing the legal system can be for everyday people, I wanted to create a resource that breaks down complex topics in plain language," said Lewis. "With 'Hold My Briefcase,' listeners gain the legal knowledge they need to protect themselves when dealing with insurance companies, contractors, and other complex situations."

“

Understanding the legal system shouldn't require a law degree. My goal is to equip listeners with the information they need to avoid being taken advantage of.”

The podcast will address a wide range of topics including storm damage claims, flood insurance disputes, construction defects, foundation issues, and personal injury cases. Lewis will share insights on negotiation tactics, insurance company practices, and the legal

procedures that impact Texans dealing with home insurance claim adjuster tactics, wind damage claims, and [traumatic brain injury cases](#).

"Knowledge is power, especially when insurance companies delay, deny, and defend claims instead of doing what's right," Lewis explains. "Understanding the legal system shouldn't require a law degree. My goal is to equip listeners with the information they need to avoid being taken

advantage of."

"Hold My Briefcase" premieres on March 29, 2025, and will be available on all major podcast platforms. Initial episodes will cover topics such as how to handle property damage insurance claims, what to do after a motor vehicle accident, signs of foundation issues, and navigating contractor disputes.
