PASADENA, CA, UNITED STATES, April 29, 2025 /EINPresswire.com/ -- Real estate agents Rex and Peter Owens officially joined [Christie's International Real Estate Southern California](#) this month, where they will bring their personalized, white-glove approach to Christie's growing operation. Coming from Douglas Elliman, the father-and-son duo will remain dedicated to the San Gabriel Valley, with a special focus on luxury properties in Pasadena.

Both born and raised in the same house in South Pasadena, Rex and Peter share a deep appreciation for the community's small-town charm, rich history, and striking architecture. With decades of combined experience, they are uniquely positioned to further solidify Christie's influence in the area.

“This is an exciting time for the Pasadena market as it emerges from the devastation of the recent fires, rebuilding with resilience and strength. We are thrilled to be joining such a talented and forward-thinking brokerage, ready to contribute to the region's renewal and growth,” says Rex.

Rex previously worked at one of the nation's largest insurance and service providers, managing more than four million square feet of real estate across the United States. After over 25 years of

experience in both commercial and residential sectors, he transitioned into residential real estate by partnering with his son, Peter, who joined Douglas Elliman in 2019. Peter quickly made a name for himself in the Los Angeles luxury market and was named a Rising Star award at The Hollywood Reporter's 2024 Power Brokers event. "I'm excited to embark on this new journey with Christie's, where I can continue to learn, grow, and provide excellent service to my clients," Peter says.

"Building a strong group is critical to success in real estate," says Aaron Kirman, CEO OF Christie's International Real Estate Southern California. "I'm thrilled to welcome Rex and Peter to Christie's, and I look forward to working together to expand our footprint across Pasadena."

With over \$19 billion in career sales, Kirman is universally recognized as one of the top luxury agents in the world. In 2022, he branched out and started his own brokerage, which has grown to a team of over 150 agents, including eight in the Pasadena area. Christie's attracted a large number of Douglas Elliman realtors after its office closed in Pasadena, and the inclusion of Rex and Peter further solidifies Christie's reputation as a leading luxury real estate brokerage.
