

EXANTE Hosts Landmark AI & Compliance Summit in Malta, Uniting Regulators, Innovators, and Industry Leaders

ST JULIAN'S, MALTA, April 29, 2025 /EINPresswire.com/ -- Award-winning prime brokerage leader EXANTE, trading in Malta under XNT Ltd., is proud to announce the inaugural Future of Compliance 2025 conference, a high-profile international event set to take place at ME by Meliá Malta (the Mercury Tower) on 15 May 2025.

Designed to explore best practices and the toughest compliance challenges in rapidly evolving financial markets, this exclusive gathering will bring together top compliance professionals, regulators, legal experts, and fintech pioneers to shape the future of compliance in the age of AI, offering unparalleled networking opportunities for leading voices and innovators.

“

“It’s a call to action for our industry. As AI and automation revolutionise the world around us, compliance must evolve from a defensive function to a proactive, strategic force.”

Natalia Taft, Global Head of Compliance at EXANTE

Hosted in one of Europe’s most dynamic financial centres, the one-day summit will lift the lid on real enforcement cases and daily professional dilemmas to offer cutting-edge insights and practical tools with a sharp focus on the real-world impact of emerging technologies, regulatory pressure, and ethical leadership.

Crucially, the summit will offer the opportunity for an open debate of the toughest challenges at hand and examine how compliance professionals can lead through complexity, leverage AI responsibly, and safeguard clients, partners, and financial integrity in a high-speed, high-risk environment.

“Future of Compliance 2025 is not just a conference,” said Natalia Taft, Global Head of

Compliance at EXANTE. “It’s a call to action for our industry. As AI and automation revolutionise the world around us, compliance must evolve from a defensive function to a proactive, strategic force. We are proud to position Malta at the center of this global dialogue.”

“EXANTE’s mission is clear: to champion open dialogue, inspire regulatory progress, and promote ethical leadership. Future of Compliance 2025 marks a pivotal moment in Malta’s emergence as a serious global player in the compliance and regtech space — and sets a new standard for how the industry can come together to drive real-world change.”
