

Funtico and Ludo Cooperate to Ensure Fair and Bot-Free Gaming

Tortola, British Virgin Islands, February 28th, 2025, Chainwire

Funtico, the full-stack Web3 gaming platform, and Ludo have joined forces in a new collaboration to deliver a game-changing experience for the Web3 community. This strategic partnership leverages Ludo's advanced reputation and trust layer to ensure that only genuine, engaged users can participate in Funtico's games, eliminating bots and fostering a more authentic, community-driven experience.

The Power of Reputation: Curated Airdrop for Real Players

Say goodbye to bot-dominated Web3 games. With Ludo's cutting-edge technology, Funtico ensures that only real, verified users with established reputations participate in its ecosystem. This advanced filtering guarantees that the first 500 recipients of Ludo's \$TICO airdrop are genuine players, not bots. This partnership sets the stage for a long-term collaboration focused on sustainable, community-driven growth in Web3 gaming, with more curated initiatives on the horizon.

The \$TICO Campaign: Your Gateway to Exciting Rewards

To kickstart the partnership and unite the communities, Ludo's campaign will involve an airdrop granting 100 TICO tokens to those who claim the opportunity via Ludo's dedicated Funtico page. But this is just the beginning. These tokens are more than digital assets — they are your ticket to thrilling competitions and lucrative rewards.

Get 100 TICO and Choose Your Path:

Compete: Players can enter with 100 TICO for two tournament entries (50 TICO each). Enter any of the three available weekly tournaments to compete for a share of a 50,000 TICO prize pool. Finish first and turn 50 TICO into 10,000 TICO — a 200x potential multiplier. Each Friday kicks off a new episode in all three games (Formula, Bingo, Solitaire), with a total weekly prize pool of 150,000 TICO across all tournaments.

Withdraw: Players will be able to withdraw your TICO starting April 27th. Withdrawals are available on the Avalanche C-Chain. KYC applies for withdrawals over \$700 to ensure a secure and transparent process.

Three Exciting Tournaments: Choose Your Challenge

Funtico offers three distinct weekly tournaments with exciting gameplay and attractive rewards:

- Formula Funtico (Desktop Browser Only)
- Solitaire Slam (Mobile & Browser)
- Bingo Rampage (Mobile & Browser)

In the current tournaments, participants can enter for 50 TICO per entry and compete up to 15 times. The first-place winner in every tournament will receive a whopping 10,000 TICO, with prizes distributed across the top 210 positions.

Why This Partnership Matters

The collaboration between Funtico and Ludo represents more than just a single event. It's the foundation of a long-term relationship aimed at enhancing Web3 gaming experiences through trusted, reputation-based engagement. By combining Funtico's engaging gameplay mechanics with Ludo's unparalleled reputation technology, both companies are setting the stage for more inclusive, fair, and rewarding gaming experiences.
