*Global Women Speakers is proud to announce its latest groundbreaking event: Talks & Tech Tampa*

TAMPA, FL, UNITED STATES, April 29, 2025 /EINPresswire.com/ -- As Tampa accelerates its vision to become a global hub for innovation, entrepreneurship, and technology leadership, [Global Women Speakers](#) is proud to announce its latest groundbreaking event: [Talks & Tech](#) Tampa, taking place at the Tampa Airport Marriott.

“

Talks & Tech Tampa is more than an event, it's a movement to ensure today's leaders, especially women and small business owners are prepared, empowered, and positioned to lead in this new digital era.”

*Dr. Tina D. Lewis*

Talks & Tech Tampa is where innovation meets inspiration — a bold, one-of-a-kind experience bringing together today's most dynamic voices across AI, leadership, business strategy, digital marketing, and women's empowerment. In a world rapidly shaped by technological breakthroughs, this event is designed to equip leaders, entrepreneurs, small business owners, and changemakers with the tools, strategies, and community needed to thrive in 2025 and beyond.

Headlining the event are powerhouse speakers, including:

- Dr. Sharon Arrindell, Founder of Inspired Wholeness and

global advocate for holistic leadership

- DaShunda Morris, Top Real Estate Agent, Businesswoman, and Home Renovation Expert
- Dr. Engee, Physician, Visionary Leader and Founder of The Elevated Experience
- Dr. Joyce Martella, Transformational Coach and Founder of The Breakthrough Institute
- Beth Close, Renowned Self-Reinvention Mentor
- Amy Koford, The Happy Hypnotist and Business Consultant
- Dr. Angela Buckley, Human Potential Activator & Specialist

Adding to the excitement, surprise special guests will take the stage, delivering even more momentum and insights to an already powerhouse lineup.

Attendees will experience a dynamic combination of TED-style talks, strategic workshops, and high-impact networking designed to transform the way they lead, market, and grow in today's fast-evolving business landscape.
