Unlike many private clubs, Vineyards is open to the public for event bookings, offering an inclusive approach to hospitality in a refined country club setting. Whether

planning an intimate rehearsal dinner or a grand celebration for hundreds of guests, clients can expect personalized attention and a team that takes pride in bringing every detail to life.

“Each event becomes part of our story too,” said Demi Munar, director of catering and event sales. “We get to know our clients, their families and their dreams. Making it all come together—the joy, the emotion, the little details—it’s incredibly meaningful for us. We’re honored to be trusted with those moments.”

The recently renovated 70,000-square-foot clubhouse features a variety of venues:

- The Fairmont and Oakmont ballrooms for grand celebrations
- The Heritage, Sterling and Cypress banquet rooms for more intimate affairs
- Expansive terraces, a covered veranda and cozy fire pit area ideal for outdoor entertaining.

Framed by mature oaks, tropical landscaping and sweeping golf course views, the grounds provide an ideal backdrop for photography and memory-making. Whether guests are dancing under chandeliers or mingling by the fire pit at sunset, the setting adds a sense of magic to every gathering.

Event planner Yaimara Carrazana added, “The stunning setting, delicious cuisine and exceptional service always exceed expectations. Demi and her team bring true heart to every celebration.”
