

# FlexTek Introduces Modern Workforce Solutions Backed by 18 Years of Proven Impact

*FlexTek delivers what companies need most today: recruiting expertise + purpose-built technology for a competitive and constantly shifting hiring landscape.*

HOUSTON, TX, UNITED STATES, May 1, 2025 /EINPresswire.com/ -- [FlexTek](#) is reintroducing itself to the market with a renewed focus on what companies need most today: speed, structure, and results in a competitive and constantly shifting hiring landscape.

“

We’ve built our business by solving modern hiring challenges—with flexible, customized solutions designed around each client’s specific goals and workforce needs.”

*Stephen Morel, CEO, FlexTek*

Since 2008, FlexTek has helped businesses navigate evolving workforce challenges with a powerful combination of recruiting expertise, flexible hiring solutions, and purpose-built technology. As talent demands grow more complex—and critical roles become harder to fill—FlexTek delivers a modern model for hiring that’s built to perform.

“Hiring today requires more than just headcount support. It demands a strategic partner who understands workforce

complexity and can move fast,” said Stephen Morel, Founder and CEO of FlexTek. “We’ve built our business around solving those challenges—not with one-size-fits-all staffing, but with flexible, customized solutions designed around each client’s specific goals and workforce needs.”

To better reflect this evolution, FlexTek is also unveiling a new [website](#) that highlights its modern approach, expanded capabilities, and track record of results.

The site offers a streamlined view of FlexTek’s services, case studies from real customers, and insight into how the company helps businesses scale hiring while gaining efficiency and control.

FlexTek's services include:

- Outsourced hiring solutions for high-volume and frontline roles
- Placement services for temp-to-hire, short- or long-term roles, and key positions
- Independent Professional Network through its proprietary Workz360 platform

From sourcing to onboarding, FlexTek delivers the structure, tools, and talent companies need to stay competitive. Brands like APS, Frontier Waste Solutions, and PrimeFlight rely on FlexTek to reduce time-to-hire, improve retention, and bring clarity to even the most complex workforce challenges.
