

Evexia Diagnostics and Mosaic Diagnostics Partner to Expand Access to Innovative Specialty Testing

WASHINGTON, CT, UNITED STATES, May 13, 2025 /EINPresswire.com/ -- Evexia Diagnostics, a leading provider of comprehensive clinical laboratory services, is excited to announce a strategic partnership with Mosaic Diagnostics, the global pioneer of specialty diagnostic testing. Evexia Diagnostics has built a reputation for delivering fast, reliable, and affordable laboratory services tailored for Functional and Integrative Medicine practitioners. Our commitment to excellence in diagnostic testing aligns seamlessly with Mosaic Diagnostic's mission to transform health by addressing the root cause of chronic disease.

"We are excited to welcome Mosaic Diagnostics, a true innovator in the field of functional and environmental medicine," said Ryan L. Obermeier, Chief Commercial Officer at Evexia Diagnostics. "Mosaic's science-backed, data-driven approach to diagnostics, from advanced toxin and mycotoxin testing to advanced microbiome and mitochondrial analysis, perfectly complements our mission to advance personalized, precision healthcare. Together, we are reshaping the future of diagnostics by delivering tools that drive clarity, confidence, and better clinical outcomes."

The functional medicine market is flourishing, driven by fierce, forward-thinking consumers who are passionate advocates for their personal health. In partnership with practitioners, they pursue precise, data-powered diagnostics, from mitochondrial mapping to microbiome monitoring, toxicant testing, and more, to shape truly tailored care.

"At Mosaic Diagnostics, we stand with practitioners, partners in their patient's healing, as they work urgently and relentlessly to uncover the root causes of chronic disease," said Scott Mattivi, Chief Executive Officer, Mosaic Diagnostics. "In collaborating with Evexia we saw the opportunity to broaden our reach of innovative and accurate testing that providers demand, and patients deserve. Every day we see the cost of chronic disease continue to soar and we remain resolute in

our purpose to help create a healthier future for all. Our partnership with Evexia brings us closer to delivering on it.”

This partnership marks a significant step forward in delivering comprehensive, next-generation diagnostic testing to healthcare providers in the U.S. By combining the expertise and resources of both companies, Mosaic Diagnostics, and Evexia will help to ensure practitioners have the cutting-edge diagnostic tests they need to make informed and actionable clinical decisions.
