TrainingPros specializes in providing experienced [Learning and Development consultants](#) for short- and long-term project needs. Whether clients are launching a new training initiative or expanding an existing program, TrainingPros offers the talent and expertise to move projects forward with confidence.

## Why TrainingPros Was Selected

According to Training Industry, companies were chosen for the 2025 list based on:

- Breadth and quality of staffing services and types of roles filled.

- Ability to deliver staff to clients across industries.
- Impact on the L&D staffing market.
- Innovation in services and delivery.
- Client representation and business performance.

“We’re excited to unveil our 2025 Top 20 Staffing and Temporary Resources Companies list, highlighting organizations that deliver exceptional training support through staff augmentation,” said Jalen Banks, market research analyst at Training Industry, Inc. “These providers help companies fill critical L&D roles — from eLearning developers to virtual instructors — and support functions like content creation, curriculum development, training delivery and administration. Their services enable organizations to stay agile and effectively meet the evolving needs of their learners.”

### Supporting L&D Teams Across Industries

TrainingPros serves clients in a wide range of industries, including:

- Financial services
- Healthcare and insurance
- Pharmaceuticals and biotech
- Hospitality and retail
- Technology and telecommunications
- Energy, manufacturing, and logistics
- Real estate and professional services

“We see ourselves as partners, not just providers,” added Lankford. “This recognition is a reflection of our incredible consultant network and the trust our clients place in us to support mission-critical training programs.”

### Growth Amid a Changing Landscape

TrainingPros has continued to grow in key markets all while building on its reputation as a woman-owned business with a 96% success rate in consultant placements. The company has also made significant investments in AI L&D consulting services and formalized its managed services offerings, helping clients scale even faster and with greater strategic alignment.

The L&D space is evolving rapidly, with more companies seeking agile workforce models that can adapt to shifting demands. As organizations contend with hybrid work environments, increased demand for digital learning, and tighter timelines, the need for high-quality, on-demand L&D

talent is greater than ever.

“Companies don’t just need people—they need the right people, right now,” said Lankford.

“Winning this award again tells us we’re delivering on that promise. We’re proud to be a trusted partner for our clients and a champion for our talented consultants.”
