

Sun City Flowers Braces for Record-Breaking Mother's Day Orders in One of America's Largest 55-Plus Communities

SUN CITY, AZ, UNITED STATES, April 29, 2025 /EINPresswire.com/ -- Sun City Flowers (SunCityFlorists.com) today announced enhanced preparation efforts for Mother's Day—Sunday, May 11, 2025—to accommodate record demand in Sun City, Arizona, one of America's largest 55-plus communities, where the median age is 72.5 and over [38,000](#) residents live.

Recognizing the significant number of mothers, grandmothers, and great-grandmothers living in local nursing homes and assisted living facilities, Sun City Flowers is proactively coordinating deliveries directly with these communities. This ensures bouquets arrive seamlessly, delighting recipients who might otherwise be unable to celebrate in person.

"Mother's Day is especially meaningful in Sun City, where nearly every resident either is a mother or has a mother figure to honor," said a Sun City Flowers spokesperson. "We are coordinating closely with local nursing homes and assisted living centers to ensure these cherished community members are celebrated and remembered."
