Raw Motherhood: A Collection of Poems and Prose to Honor the Joy and Pain in the Journey

This deeply stirring collection brings together the voices of over 100 inspired poets and storytellers, from ages 5 to 85, in an unforgettable tapestry of truth, vulnerability, and healing. Raw Motherhood invites readers to celebrate the breathtaking joys, grieve the heartbreaking losses, and embrace the full, raw experience of what it means to mother, to be mothered, or to long for mothering.

"Motherhood is not one story — it is a million heartbeats, both broken and whole," says Elayna Fernández. "This collection is a safe place to honor all of it."

Through radically honest poems, prose, and personal stories, Raw Motherhood serves as a soulful keepsake — a timeless gift for mothers, daughters, sons, and anyone who seeks to honor the beauty and complexity of mothering across generations and cultures.

Why Readers Are Falling in Love with Raw Motherhood:

A Soul-Stirring Keepsake — A celebration and mourning, a longing and a loving, wrapped into one powerful collection.
