and Strategic Advisor of
MindWaveDAO*

This collaboration brings together the robust infrastructure of MindWaveDAO's Bitcoin-backed Layer 2 ecosystem with the dynamic, impact-driven engagement model of Wave+. The result: a new paradigm for tokenized attention, community monetization, and real-world sustainability.

"Our collaboration with Wave+ is a major milestone towards advancing UN SDG Goals using decentralized frontier technologies like Blockchain" said Dr. Vin Menon, Co-founder and Strategic Advisor of MindWaveDAO.

What This Partnership Means

Beta Testing to Begin Soon: Wave+ will roll out early access to a select group of partners and MindWaveDAO community users, followed by a soft launch and eventual public rollout.

Backed by \$NILA Token: Wave+ is powered by the \$NILA token, built on MindWaveDAO's

reinsured blockchain, turning digital interactions into tangible value.

Listed on LBank Exchange: \$NILA is now officially listed on LBank. Learn more - https://www.lbank.com/trade/nila_usdt/

\$NILA is also listed on CoinMarket Cap - <https://coinmarketcap.com/currencies/mindwavedao/>

Aligned with UN SDGs: The engagement model is structured to drive real-world impact using decentralized technologies like Blockchain.

Secure & Scalable: Focused on delivering a seamless, secure experience during testing and beyond.

About MindWaveDAO

MindWaveDAO is a decentralized ecosystem fusing Bitcoin-backed yield mechanisms with emerging sectors like AdTech, InsurTech, AI Governance, and ClimateTech. With its native \$NILA token, it offers a scalable and intelligent infrastructure for sustainable value creation. □
