

CustomWeather Launches a-la-carte Customized Daily Weather Reports

Construction, Energy, Outdoor Venues, Agriculture and Marine sectors can order weather reports and forecasts, delivered daily for pinpoint locations worldwide.

MILL VALLEY, CA, UNITED STATES, May 1, 2025 /EINPresswire.com/ -- [CustomWeather, Inc.](https://www.customweather.com) announces it has launched an easy-to-use online subscription option for weather-sensitive businesses to purchase daily weather reports and forecasts, tailored for their precise location. Subscribers

can request location forecasts by city name, or by coordinates for even more precise forecasting. Subscribers can request multiple updates per day and specify the timing of each forecast update. Forecasts are provided in PDF format via email or, for US customers, via MMS. Subscribers can choose standard weather forecast reports or marine-specific reports.

CustomWeather

Geoff Flint, CustomWeather CEO, explained, "We recognize that many businesses are weather-sensitive and need daily information that is tailored for their precise location in order for their team to properly plan, ensure worker safety and deploy resources. Our goal is to offer an easy, affordable option to ensure that timely, accurate weather data is provided consistently on a daily basis in a format that is easy to use and distribute. We've been providing premium weather services to businesses around the world for 25 years and we are now offering some of those services via a simple online subscription for quick and immediate access."

For the month of May, subscribers will get an introductory discount of 25% off. To subscribe, visit <https://customweather.com/order-reports/>
