

Todd Buchholz, Renowned Economist, Receives the Prime Award for 'National Business Innovator – 2025'

"We are thrilled to highlight Todd Buchholz with this award." ~Aurora DeRose

LOS ANGELES, CA, UNITED STATES, May 1, 2025 /EINPresswire.com/ -- In a triumphant celebration of pioneering business ingenuity throughout the transformative year of 2025, the esteemed Prime Award has been bestowed upon [Todd Buchholz](#), the renowned economist and best-selling author. This prestigious recognition not only applauds his extraordinary contributions to the nuanced realm of economics but also designates Buchholz as a benchmark for avant-garde business practices, setting an elevated standard that resonates across industries in the evolving global landscape.

Todd Buchholz

Buchholz is a celebrated economist, author, and keynote speaker who has shared the stage with global figures such as Colin Powell, Michael Porter, and Jeff Bezos. A trusted advisor to corporate and political leaders around the world, he has delivered strategic insights to institutions ranging from the UK and New Zealand parliaments to the Mexican and Abu Dhabi stock exchanges, as well as to leading tech and entertainment firms in Seoul. His expertise in global economics, innovation, and leadership makes him one of today's most sought-after voices in navigating complex business and policy environments.

The Prime Award, emblematic of excellence across diverse sectors, serves as both a commendation and a clarion call, urging industry leaders to persist in the relentless pursuit of innovation amid an ever-evolving economic landscape.

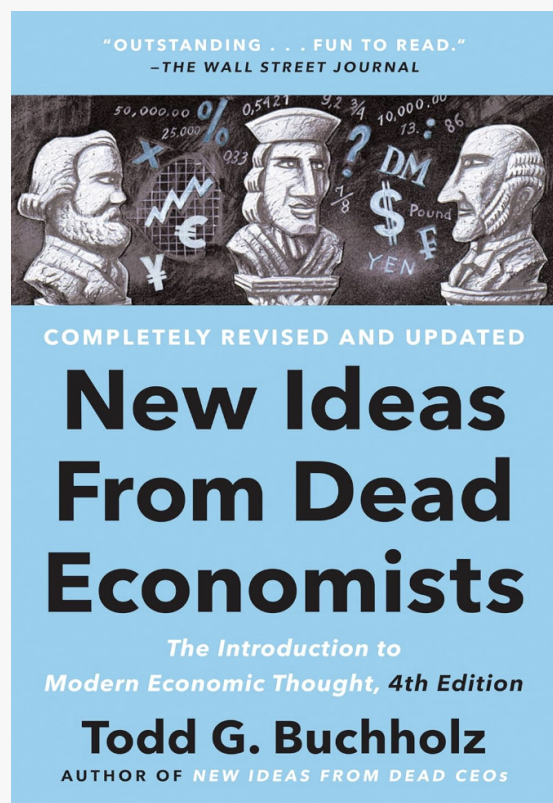

With infectious enthusiasm for the honoree, Prime Managing Director Aurora DeRose remarked, “We are elated and proud to cast the spotlight on Todd Buchholz with this award. His unwavering dedication to pushing the boundaries of economic thought and innovation is commendable and stands as a testament to his commitment to excellence.”

DeRose, a staunch advocate for the transformative power of innovation, emphasized its pivotal role in modern entrepreneurship. She stated, “Innovation is the pulsating heart of entrepreneurship. Aspiring business owners must not merely acknowledge its essence but internalize its significance, constantly exploring new avenues and mastering the art of leveraging it effectively.”

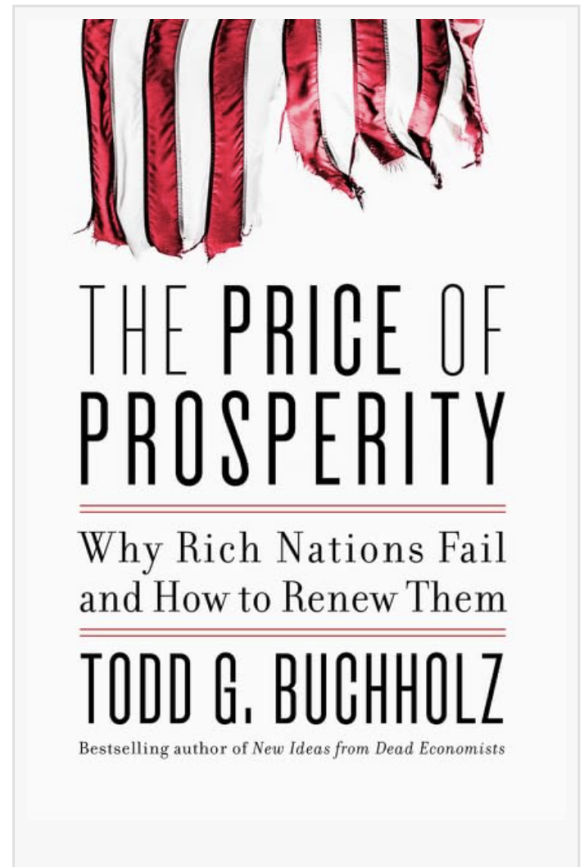

Quoting business titan Howard Schultz, former chairman of Starbucks, the message is clear: “Innovation must be disruptive. You've got to fracture and break the rules and disrupt.” His stirring words underscore the transformative nature of true innovation, challenging entrepreneurs to dismantle conventions and forge new paths.

As Buchholz basks in the well-earned spotlight of the Prime Award, this recognition extends beyond individual acclaim. It serves as a compelling

reminder to the broader business community that innovation is not merely a choice—it is the driving force behind success in the dynamic tapestry of contemporary enterprise. The narrative of Buchholz becomes more than an inspiring story; it becomes a rallying cry for bold disruption, purposeful exploration, and transformative leadership, shaping the future of global business.
