This song is based on real life. No matter where you come from or who you are, when you've been hurt by someone, that deep pain, can shatter your heart, and make you feel alone or even unloved. Forgiveness is hard, but once you realize you can't change the past, you can let go of the pain, and forgive. This song was written and sang by Christine J Scott and Co-written by Jason Todd Coulter.

Christine is a Gospel Singer, Songwriter, Pianist, Author, Instructor and a Graphic Artist from Texas. Using these gifts God gave her, to serve others, and sow into their ministries, brings her great joy! She sang with three different mixed trios since 1996, however, in September, of 2023, she launched a solo ministry, and God has opened more doors than she could have ever dreamed possible. She has shared the gospel, singing on cruise ships, to front porches, restaurants, to hospital rooms. In just the last 12 months, she has opened in Texas and Alabama for Jeff & Sheri Easter, Darrell Luster, Gold City, Joseph Habedank, Anthem Edition, The Whisnants and The Hoppers. She has been part of "Sunday Morning Country" at the Grand Ole Opry House for the last three years. Wherever God leads, she follows and walks steadily in His grace and mercy. She has a passion for speaking at women's conferences.

In the summer of 2022, Christine recorded her 11th CD... a debut solo project called "Bring Him

"My over thirty plus years of ministry, consists of sharing music from my heart, to encouraging you, and giving praise, and honor to my Lord, Jesus Christ. I have been recording music for over fortyhi years and singing for the Lord even longer. It is a blessing and I long to continue serving the Lord through my music, writing books and teaching God's Word. He gave me my first breath and I'll give Him my last.
