With temperatures climbing and families planning outdoor events, water slides have become a staple for birthday parties, neighborhood gatherings, church festivals, and school field days. Bounce Above Inflatables now offers an expanded inventory of both classic and themed water slides, featuring various heights and features such as splash pools, dual lanes, and tropical motifs.

“Our focus is on delivering clean, safe, and exciting inflatables for the Madison community,” said Bryan Rosenaur, owner of Bounce Above Inflatables. “We’ve invested in a wider range of water slide rentals to accommodate events of all sizes and age groups. Whether it’s a backyard birthday or a large-scale community function, we have equipment that ensures fun and safety.”

Bounce Above Inflatables’ updated collection includes slides ranging from 15 to 22 feet tall, ensuring options for children and adults alike. Each rental is cleaned and sanitized after every use, and the company maintains a strict safety protocol during setup and takedown. All

equipment is fully insured and complies with Mississippi safety regulations.

The company's website allows customers to browse available units, check availability, and book online. Popular choices include the 22-foot Tropical Fireblast Tsunami, the 18-foot Blue Crush Dual Lane, and the 15-foot Purple Hurricane slide. Each option is designed to provide high-volume, low-risk entertainment during the hottest months of the year.

Bounce Above Inflatables has become a trusted name in event rentals across the Madison and Greater Jackson areas. In addition to water slide rentals, the company offers bounce houses, combo units, obstacle courses, dunk tanks, and concession equipment. Schools and organizations benefit from multi-unit package deals and on-time service with every reservation.
