Over 550 graduates will cross the stage to receive their degrees and certificates, marking the culmination of their academic journeys and the beginning of new chapters in their professional and personal lives. Students will be joined by family members, friends, SCC faculty and staff, as well as members of the local community for what is expected to be the college's largest and most dynamic commencement ceremony to date.

“This isn't just a ceremony—it's a celebration,” said SCC Vice President Dr. Stacey Obi. “By bringing graduation to this iconic venue, we're honoring our students' achievements in a big way—and we are so proud to be able to continue to make history in South Carolina!”

Fifth Third Park, a cornerstone of Spartanburg's revitalized

downtown and home to the brand new Hub City Spartanburgers baseball team, offers modern amenities, family-friendly accessibility, and a vibrant atmosphere. The partnership between SCC

and the Spartanburgers reflects a shared commitment to community engagement, local pride, and creating meaningful experiences for residents of Upstate South Carolina.

The official decision to move graduation to an off-campus location comes in response to SCC's continued growth in student enrollment and degree completion, as well as the College's dedication to expanding its visibility and impact throughout the region. Fifth Third Park's size and accessibility allow for a greater number of guests, improved seating and viewing options, and an overall enhanced celebratory experience for all in attendance.

Luke Feisal, Assistant General Manager for the Hub City Spartanburgers, stated, "We are thrilled to host the Spartanburg Community College graduation at Fifth Third Park! SCC is a true community champion, and we are excited to provide a platform on such an important day for their institution!"

Graduation at Fifth Third Park will include a full program of student speakers, recognitions, and conferral of degrees across all academic programs. Attendees can expect a festive atmosphere that celebrates not only student achievement, but also the spirit of community that defines SCC.
