

Norwegian Songwriter Trio Teams Up with Latin Artists from Chicago and Cuba to Release the Summer Anthem 'VAS A CAER'

CHICAGO, IL, UNITED STATES, May 2, 2025 /EINPresswire.com/ -- Popkanon, an innovative songwriter trio from Norway, has teamed up with talented Latin artists RarriQUESO and MoodSWANG, both from Chicago, along with Cuba's rising star Alejandra Tabita, to release their highly anticipated summer track, "VAS A CAER." Adding depth and character to the track, the experienced producer Jack Flash has infused his unique touch, making this song an explosive hit.

"VAS A CAER" is already making waves on Scandinavia's biggest Latin station, Radio Latin-Amerika (FM 105.8) in Oslo, Norway. It's expected to dominate radio, clubs, and streaming platforms worldwide. Popkanon and RarriQUESO previously collaborated on the Latin hit "Bar Colombia," which earned praise from music journalists and curators around the world and received heavy rotation on major radio stations during the summer of 2023.

This track is a perfect fusion of Pop Latino and Electronic Dance Music, featuring a pulsating beat and catchy, playful vocals that will keep listeners moving. It's a track made for the dance floor.

The song represents cross-cultural and trans-Atlantic collaboration. The cover art reflects the cultural influences as well, incorporating the colors of the artists' heritage and national flags — red, white, and blue from Norway, the United States and Cuba, and the centerpiece is a decorative poncho from Mexico.

Produced and mixed by Jack Flash at Rockwell Studios in Chicago, and mastered by the award-winning Slavic Livins from Chicago Audio Mastering, the song's production quality is top-notch.

Additionally, a music video for "VAS A CAER" is set to drop soon, filmed by Chicago-based filmmakers Tripp the God from 432 Production Studio and JBow tha Camera God. The video beautifully captures the urban landscape of Chicago alongside the scenic fjords of Oslo.

"VAS A CAER" is available for streaming on Spotify, iTunes, and all other major platforms. [Click here](#) to listen to the track.
