

Plintron declared Global MVNA/E of the Year at Global Brand Awards 2025

Plintron has won the Global Brand Awards for third successive year! It was awarded in 2 categories - "MVNA/E of the Year" Global & "MVNA/E of the Year" for USA

BELLEVUE, WA, UNITED STATES, May 6, 2025 /EINPresswire.com/ -- [Plintron](#) has won the Global Brand Awards for the third successive year!. This year Plintron won the Global Brand Awards by being recognised as the "MVNA / E of the Year" Global as well as the "MVNA/E of the Year", USA.

[GLOBAL BRANDS AWARDS](#) bestowed by Global Brand Magazines, UK, was established with the aim of honoring excellence in performance and rewarding Companies across different

sectors. The award honors companies who have performed extraordinarily well in the field of Finance, Education, Hospitality, Lifestyle, Automobiles, & Technology. The awards are given to acknowledge key players who strive for excellence & provide a platform for recognition. The award also aims to identify, and create awareness about the significance of exceptional service delivery & reward their performance with the ultimate global Recognition.

Subhashree Radhakrishnan , Vice Chairman and Co-founder, Plintron said " It is gratifying to be acknowledged as the leading MVNA/ E Globally as well as in the United States and is a testament to our constant innovations and adoption of cutting-edge technology:

Plintron has been at the forefront of innovations using path-breaking technology and has been one of the pioneers in adopting new technologies including 5G and VoNR. The company offers innovations such as real-time OCS-based postpaid billing, which reduces credit risk, fixed mobile convergence, Customer Engagement Platform and an award-winning Integrated Connectivity

The Plintron logo, featuring the word "PLINTRON" in a bold, black, sans-serif font. The "O" is replaced by a stylized orange circle with three concentric lines around it. Below the word "PLINTRON" is the tagline "MOBILITY SIMPLIFIED" in a smaller, black, sans-serif font. A registered trademark symbol (®) is located to the upper right of the "N".

Management Platform for IoT. It also leads in enabling 100% digital MVNOs with eSIM technology, QR code based digital onboarding and white labelled selfcare app enabling digital branding.

Plintron delivers end-to-end support to brands looking to launch their own mobile services with complete handholding from Plintron. This includes full-stack telco SaaS (BSS, OSS, and NSS), readymade roaming alliances, pre-integrated ETOP channels, wholesale airtime, and regulatory support.

Plintron has launched over 175 MVNO brands globally including over 50 MVNO Brands in the USA.
