

# The Economic Times Features Dr. Mohana Rao Patibandla (Dr. Rao) as India's Leading Minimally Invasive Neurosurgeon

*The Economic Times spotlights Dr. Rao's groundbreaking achievements in neurosurgery, celebrated at the Sardar Patel Unity Summit & Awards 2025*

GUNTUR, ANDHRA PRADESH, INDIA, May 16, 2025 /EINPresswire.com/ -- [The Economic Times](#) Features [Dr. Mohana Rao Patibandla](#) as India's Leading Minimally Invasive Neurosurgeon

The Economic Times spotlights Dr. Patibandla's groundbreaking achievements in neurosurgery, celebrated at the Sardar Patel Unity Summit & Awards 2025

GUNTUR, ANDHRA PRADESH – May 16, 2025 – Dr. Mohana Rao Patibandla, a pioneer in [minimally invasive neurosurgery](#), has been honored as India's best in his field, as highlighted in a recent feature by The Economic Times. The article, published in one of India's most respected business and financial newspapers, showcases Dr. Patibandla's transformative contributions to neurosurgical care and his recognition at the prestigious Sardar Patel Unity Summit & Awards 2025.

In the feature, The Economic Times

Dr. Mohana Rao Patibandla receives the "Best Minimally Invasive Neurosurgeon, Spine Surgeon, and Endovascular Surgeon in India 2025" award from the Chief Minister of Goa, Dr. Pramod Sawant, at the Sardar Patel Unity Summit & Awards 2025.

Dr. Rao is awarded the "Best Minimally Invasive Keyhole Neurosurgeon and Spine Surgeon" title at the Radio City Andhra Pradesh Icon Awards 2025, recognizing his expertise and contributions.

details Dr. Patibandla's innovative approach to neurosurgery, emphasizing his expertise in minimally invasive techniques, including keyhole surgeries, Endovascular neurosurgery, and Stereotactic Radiosurgery, that have revolutionized patient care. These methods, which involve smaller incisions and advanced technology, reduce recovery times and enhance surgical outcomes, making complex brain and spine procedures safer and more accessible.

The article also highlights Dr. Rao's (Dr. Mohana Rao Patiabandla) receipt of the Sardar Patel Unity Award, presented by the Topnotch Foundation, a testament to his leadership role in Indian healthcare. The summit, gathering the nation's top professionals, recognized Dr. Patibandla for his dedication to advancing medical standards and his commitment to patient-centered care.

“

I am deeply honored to be featured in The Economic Times and to receive the Sardar Patel Unity Award from the CM of Goa, & is a testament to our team's relentless pursuit of excellence in neurosurgery”  
*Dr Mohana Rao Patibandla*

Dr. Patibandla (Dr. Rao), founder and chief neurosurgeon of Dr. Rao's Hospital in Guntur, Andhra Pradesh, expressed his gratitude for the recognition. “Being featured in The Economic Times and honored at the Sardar Patel Unity Summit is a humbling acknowledgment of our team's efforts to bring world-class neurosurgical care to India,” he said.

The Economic Times article underscores Dr. Rao's journey from his early education in India to his specialized training

in the United States, where he mastered cutting-edge neurosurgical techniques. His decision to return to India and establish a state-of-the-art hospital in Guntur has elevated local healthcare and inspired a new generation of medical professionals.
