

Advanced Orthopedics and Sports Medicine Institute Has Been Designated as a NJ Top Docs Practice

NJ Top Docs practice, Advanced Orthopedics and Sports Medicine Institute has been designated as a NJ Top Docs Practice

BERKELEY HEIGHTS, NJ, UNITED STATES, May 16, 2025

/EINPresswire.com/ -- Advanced Orthopedics and Sports Medicine Institute (AOSMI) is a leading orthopedic and pain management clinic dedicated to helping patients across New Jersey return to their active lives as quickly and safely as possible. AOSMI utilizes cutting-edge advancements in orthopedics, sports medicine and pain management to provide patients with the highest level of care possible.

Many of their providers are athletes themselves, which means they understand firsthand the frustration that comes with injury and the determination it takes to recover. That empathy shapes every aspect of their care. At AOSMI, patients experience advanced orthopedic care powered by innovation and strengthened by a trusted, personalized relationship with their doctor. Their philosophy emphasizes conservative treatment first, with surgery considered only when absolutely necessary.

From diagnosis to recovery, all services are offered under one roof for maximum convenience and continuity of care. They believe informed patients make better decisions, which is why they take the time to clearly explain every diagnosis and treatment option, answer every question, and focus on helping each individual feel confident and empowered throughout their healing journey.

The reviewed and approved providers include:

- Michael J. Greller, MD, MBA: <https://advancedorthosports.com/meet-our-team/professionals/michael-greller/>
