

Nicole Leiter Joins BioFlex Board of Advisors

PHOENIX, AZ, UNITED STATES, May 7, 2025

[/EINPresswire.com/](https://www.einpresswire.com/) -- BioFlex, a dynamic solutions provider at the intersection of healthcare and technology, is pleased to announce the appointment of Nicole Leiter to its Board of Advisors. With a distinguished career spanning over 28 years in business operations and strategy, Nicole brings a wealth of experience to BioFlex's mission of enhancing patient outcomes through innovative, technology-driven healthcare solutions.

Throughout her career, Nicole has demonstrated exceptional leadership in complex business environments, including billion-dollar P&L ownership and managing teams exceeding 80,000 employees. Her expertise encompasses key leadership roles in organizations ranging from start-ups to Fortune 10 firms, providing her with a comprehensive understanding of the healthcare and technology sectors.

As a Business Owner and Consultant, Nicole has successfully guided companies across various verticals, including retail, pharmacy, and veterinary care delivery. Her advisory services have spanned business plan review and remediation, project plan development, business development, pharmacy technology ecosystems, mergers and acquisitions, organizational design support, and leading teams to deliver results. Her proficiency in optimizing innovation to enhance financial performance, minimize overhead costs, improve customer experience, ensure healthcare regulatory compliance, and support M&A opportunities will be invaluable to BioFlex.

Nicole's passion for challenging the status quo and developing forward-looking plans aligns seamlessly with BioFlex's mission. Her experience in centralizing retail pharmacy operations, enhancing consumer access to diagnostic testing within retail environments, and spearheading collaborations for innovative delivery methods will significantly contribute to BioFlex's strategic initiatives.

Serving on the Commercialization Advisory Board for Babson Diagnostics and the Board of

Nicole Leiter

Advisors for Chicago Innovation, Nicole's leadership and strategic insights will be instrumental in guiding BioFlex as it continues to innovate and expand its impact in the healthcare technology sector.

Nicole expressed enthusiasm about joining BioFlex, stating, "I am honored to join BioFlex's Board of Advisors and collaborate with a team dedicated to transforming healthcare through innovative technology solutions. I look forward to leveraging my experience to support BioFlex's mission of enhancing patient outcomes."

Daniel Happ, CEO of BioFlex stated, "We are thrilled to welcome Nicole to our Board of Advisors. Her extensive experience and strategic insights will be invaluable as we continue to advance our mission of delivering comprehensive, technology-driven healthcare solutions."

About BioFlex

BioFlex is a next-generation healthcare benefits provider revolutionizing access to premium medical services through technology-driven, member-centric solutions. We are proud to offer the world's first Enhanced Accident Insurance Policy™. This groundbreaking benefit redefines traditional accident coverage by combining precision care, preventative services, and expedited access to top-tier specialists.

Our platform connects members with leading medical providers while delivering concierge-level support throughout their healthcare journey. Backed by a team of experienced healthcare professionals, innovative insurance leaders, and mission-driven administrators, BioFlex is committed to making high-quality care affordable, accessible, and outcome-driven.

We believe healthcare should serve people, not systems—and we're setting a new standard by leading with heart, innovation, and a relentless focus on member wellness.
