

Logipix International Corp. Teams with Defense Systems and Services for Business Development in Defense Sector

RICHMOND, VA, UNITED STATES, May 5, 2025 /EINPresswire.com/ -- Defense Systems and Services, LLC (DSS) has signed a partnering agreement with Logipix International Corp. (LPIX) to present Logipix products and solutions across the U.S. Department of Defense, law enforcement, and the [intelligence](#) community in support of unique environments and specialized missions. DSS is a robust and agile engineering, integration, aerospace and technical services company with deep experience in Intelligence [Surveillance](#) and [Reconnaissance](#) (ISR), Command and Control (C2) and Integrated Security solutions.

DSS will represent the full line of Logipix high-resolution intelligent computer vision solutions for critical infrastructure protection, real time decision-making support and improved situational awareness for terrestrial as well as military-class vehicles and Group 1 UAS platforms.

"It is a pleasure to work with the dedicated professionals at DSS, who have built their reputation on unassailable integrity and a commitment to providing class-leading solutions for their specialized end customers," said Mike Broggie, COO of LPIX. "We believe this partnership will provide additional reach into key government agencies and contract vehicles that will benefit from Logipix capabilities for a variety of mission requirements."

ABOUT LOGPIX INTERNATIONAL CORP
