*Unlocking ancient wisdom for modern souls to cure all woes.*

COOKSTOWN, NJ, UNITED STATES, May 5, 2025 /EINPresswire.com/ -- Author Jacqueline McNeil Watts invites readers on an eye-opening journey with her book, "[A Trilogy That Explains Spiritual Growth: The Cure For All Our Woes](#)," a unique compilation sharing profound spiritual truths previously reserved for elite mystery schools, now accessible to all in a simple, relatable format.

Drawing from her own mystical experiences—hearing voices, clairvoyant visions, and encounters with spirit beings—Watts felt compelled to share her insights into spiritual growth. This trilogy explains what growing spiritually means, how to do it, and how people can consciously participate with the Supreme Creator in evolution. With humanity now ready to transcend from third-dimensional existence to fifth-dimensional awareness, her work illuminates the path toward a new Earth.

Contrary to the complexities of esoteric literature, Watts' trilogy distills age-old wisdom into understandable teachings. She aims to correct the misunderstandings perpetuated by traditional religions, empowering readers with knowledge essential for their spiritual journey.

Born in Charlotte to hardworking parents, Watts' journey as an educator—crowned with accolades such as Teacher of the Year—shaped her mission to communicate insightful concepts in an accessible manner. With degrees in education and foreign language, and experiences teaching abroad, her diverse background enriches the clarity of her writing.

More than a book, "A Trilogy That Explains Spiritual Growth: The Cure For All Our Woes" is a vital resource for those seeking to deepen their understanding of spiritual growth. Available on Amazon, Barnes & Noble, and other major online bookstore retailers, join Jacqueline McNeil Watts in unlocking the wisdom that can transform lives and contribute to the evolution of humanity.
