

'From Today to Eternity Volume 1' New Format Offers Prophetic Truths for Today's Troubled

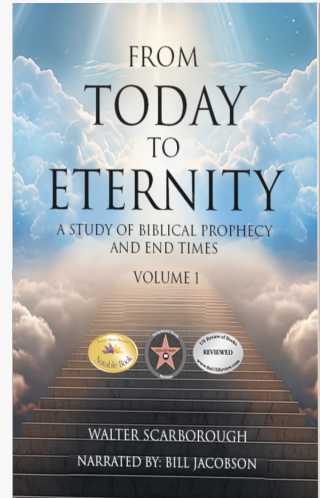

Scarborough's audiobook breaks down biblical prophecy to help listeners find peace, direction, and understanding.

TORONTO, ONTARIO, CANADA, May 5, 2025 /EINPresswire.com/ -- In a time of global uncertainty and spiritual searching, Walter R. Scarborough offers a compelling voice of clarity and conviction. His work, "[From Today to Eternity: A Study of Biblical Prophecy and End Times Volume 1](#)," is now available in audiobook format, opening a new chapter for seekers of biblical truth who prefer to listen as they learn.

With over 45 years of experience as an architect, Scarborough has spent a lifetime turning complex blueprints into tangible realities. Now, he brings that same methodical precision and thoughtful structure to one of the most challenging and often misunderstood topics in Christianity: biblical prophecy and the end times.

Far from being another academic theological treatise, "From Today to Eternity: A Study of Biblical Prophecy and End Times Volume 1" speaks directly to everyday believers—those who feel lost in a spiritual fog about the future, unsure of what the Bible says about the end of days. Scarborough's book addresses the anxiety many Christians feel when confronted with the daunting landscape of prophecy: strange symbols, vast numbers of interpretations, and confusing terminology.

But Scarborough breaks it all down. Volume 1 is designed to equip readers—and now listeners—with the conceptual framework and theological grounding needed to begin making sense of the biblical narrative about what's to come. His goal is not to scare, but to illuminate. Not to preach, but to clarify.

From Today to Eternity: A Study of Biblical Prophecy and End Times, Volume 1 by Walter R. Scarborough

The release of the audiobook brings Scarborough's voice—both literally and figuratively—closer to a broader audience. Whether commuting, walking, or relaxing at home, readers can now absorb profound biblical insight on-the-go. The audiobook format makes it more accessible than ever for people to engage with deep scriptural study in a way that fits into their modern lives.

Scarborough's lack of formal theological training is, paradoxically, one of the book's strengths. Rather than being a pastor or a theologian by training, he brings the perspective of an architect, applying the same thoughtful and detailed approach he uses in his profession to the study of Scripture—analyzing each component carefully, assembling it with intention, and striving to make its message accessible.

With the audiobook edition available on the market, Scarborough hopes to reach even more people who are eager to understand the signs of the times but unsure where to begin. Grab a copy of "From Today to Eternity: A Study of Biblical Prophecy and End Times Volume 1" in audiobook, print, and digital formats today!

About [Bookside Press](#):

Bringing stories and ideas to life, one tap at a time.

Bookside Press is all about creating buzz in the digital world. Buzz that'll have each vital message be heard loud and clear. Headquartered in Canada, this hybrid publishing and advertising company aims to share the magic of its authors' books with the world. With a dedicated team of creatives and marketing professionals, Bookside Press collaborates with clients in building better brands that stand out and reach greater heights.
