

Lane Health and Teledentistry.com Forge Partnership to Expand Access to Quality Healthcare in America

Lane Health and Teledentistry.com are announcing a landmark partnership aimed at improving how Americans receive and afford dental and healthcare services.

NORFOLK, VA, UNITED STATES, May 7, 2025 /EINPresswire.com/ -- Delta Dental of California and Affiliates, a key partner to both organizations, supports this initiative as part of its broader mission to advance oral health through high-quality, affordable dental benefits.

“

Our individual partnerships with both Teledentistry.com and Lane Health reflect a shared commitment of helping more people get the care they need, when and how they need it.”

Mohammad Navid, EVP, Delta Dental of California & Affiliates

In a move poised to transform access to healthcare across the nation, Lane Health and Teledentistry.com are announcing a landmark partnership aimed at improving how Americans receive and afford dental and healthcare services. This innovative collaboration merges the strengths of industry leaders to provide accessible expert dental care with flexible financial solutions.

With healthcare accessibility remaining a critical challenge for millions of Americans, this partnership is designed to bridge the gap by delivering seamless, convenient, and affordable healthcare experiences. Delta Dental of California and Affiliates holds individual partnerships with both Lane Health and Teledentistry.com to bring the Healthcare Spending Card¹ and Virtual Dentistry platform to its members. The partnership between Teledentistry.com and Lane Health extends these seamless, convenient, and affordable care solutions to patients in need of virtual care and financial flexibility.

Teledentistry.com: Expert Dental Care Anytime, Anywhere

As a pioneer in virtual dentistry, Teledentistry.com connects patients with licensed dental professionals 24/7. This partnership ensures that patients can receive expert guidance and care from the comfort of their homes, addressing dental concerns swiftly and conveniently.

Lane Health: Making Healthcare Affordable

Lane Health presents innovative financial solutions, including on-demand healthcare lending accounts¹, to help individuals manage healthcare expenses more effectively. By partnering with

Delta Dental of California and Affiliates and Teledentistry.com, Lane Health will help empower more Americans to afford the care they need without financial strain.

A Vision for the Future

"At Delta Dental of California and Affiliates, we are dedicated to advancing access to quality oral healthcare through innovative solutions and trusted collaborations," said Mohammad Navid, Executive Vice President and Chief Relationship and Business Development Officer at Delta Dental of California and Affiliates. "Our individual partnerships with both Teledentistry.com and Lane Health reflect a shared commitment of helping more people get the care they need, when and how they need it."

"Teledentistry.com was founded on the principle of making expert dental care accessible to all. By collaborating with Delta Dental of California and Affiliates and Lane Health, we're taking a giant leap forward in ensuring care is just a click away for every Delta Dental of California and Affiliates member," said Dr. Vilas Sastry, CEO and founder of Teledentistry.com.

"Lane Health's mission has always been to help provide financial peace of mind for healthcare expenses. Partnering with Delta Dental of California and Affiliates and Teledentistry.com enables us to deliver holistic solutions that can make healthcare affordable and accessible," said Brad Gambill, CEO of Lane Health.

Launch Timeline and Availability
